

Position: Arborist Internship or Arborist Trainee

Location: Eugene, OR

Description: GreenTree Arborists is a family-owned, primarily residential tree care company with a focus on safety, tree preservation, and modern arboriculture. Offering either seasonal internship positions or full-time Arborist Trainee positions to candidates interested in becoming ISA Certified Arborists or learning more about the arborist profession.

Job Duties: Arborist Intern/Trainee would perform all the duties of a groundsperson while receiving training on modern tree climbing, pruning, rigging, and other skills required to become a Certified Arborist. Groundsperson duties will include assisting our crew with rigging, chipping of limbs and debris, hauling brush, jobsite cleanup. Focus on safety and a commitment to wearing proper PPE required.

Qualifications:

- Some knowledge and experience with safe chainsaw operation and maintenance required.
- Desire to work in a physically demanding outdoor position during a variety of weather conditions including heavy rain, snow, and heat required.
- Valid drivers license required.
- Hard working, reliable, individual with strong communication skills desired. High level of client interaction required.
- Forestry background including tree identification and tree biology preferred.

Compensation: Flexible schedule, full-time available, compensation starts at \$18.00/hr, increases DOE. All climbing gear and PPE supplied by the company. Ongoing training and professional development, including supplying materials needed to prepare for the ISA Certified Arborist exam.

To Apply: Please send resume and cover letter outlining your experience to greentreeemily@gmail.com

Position open until filled.
