

HIRING ANNOUNCEMENT

OSU College of Forestry – Research Forests Forest Management Assistant (Student) – Reforestation, Inventory & GIS

The OSU–Research Forests are hiring forest management assistant(s) to work on a variety of tasks in the reforestation, forest inventory, and GIS program areas.

Hiring Timeline:

- Application deadline is **Sunday, November 17, 2019 at 11:59 PM.**
- Anticipated start date is Monday, January 6, 2020.

Position Description:

Works under the supervision of the program manager. Duties frequently include:

Forest Inventory:

- Utilize common forestry tools to conduct forest inventory measurements
- Navigation to field sites with the aid of maps, GPS, and tablets

Reforestation:

- Tree planting inspections and contract administration
- Planning for seasonal herbicide application and vegetation management
- Slash pile covering, burning, and contract administration
- Regeneration stocking surveys

GIS:

- Map-making, plot grid design, data entry, organization, and analysis
- More advanced GIS work may be available for students with particular skillsets

This job is a great opportunity to learn about all phases of forest management and apply skillsets gained in the classroom. Successful candidates will assist and train with other program areas, as time allows, including timber sales, engineering, recreation, and student logging programs.

Work Schedule:

- Fall, Winter, and Spring Quarters: 5 to 12 hours / week – flexible with class schedule
- Summer Break: 40 hours / week

Location:

The OSU–Research Forests manage nine different properties throughout the state of Oregon. Most of the work will occur locally on the McDonald–Dunn Forest. During summer break, occasional overnight travel is required (hotel stay and meal per diem provided). Work vehicles are provided for transportation from the office (Peavy Arboretum) to job sites.

Qualifications:

Required: Safe driving record; physical and mental capacity to work safely on rugged terrain and in adverse weather conditions; ability to communicate effectively with staff and contractors; and reliable transportation to and from Peavy Arboretum (office). Priority will be given to applicants that can work full-time (40 hours / week) for Summer of 2020.

Application Procedure:

Please apply via the OSU Jobs Site at <https://jobs.oregonstate.edu>, posting # P05958SE. Link directly to the posting at <https://jobs.oregonstate.edu/postings/84523>.
