

“Providing a Balanced Approach to Natural Resource Management”

Northwest Management, Inc., a full service natural resource consulting firm located in Moscow, Idaho is seeking resumes from motivated individuals with forestry backgrounds.

Position: Forest Technician

Status: Seasonal Position 3 to 10 month appointments available. Time Frame:

Spring 2020 through November 2020 (time frame is flexible)

Location: Forest Technician will be based out of the main office in Moscow, ID. Travel and time out of town is required to fulfill the requirements of this position, with expenses paid by the company (bunkhouse is available for use when working in the Moscow area).

Duties: Forest Technician will work under the direct supervision of a professional Forester.

Primary duties may include:

1. Forest Inventory
2. LIDAR Inventory for Remote Sensing
3. Harvest Preparation and Layout
4. Prescribed Burning
5. Wildland Firefighting

Preferred Candidates:

Junior Forestry or Natural Resource students with good written and oral communication skills or a minimum of one (1) year natural resource related experience. Preference given to applicants with experience in timber cruising, wildland fire, prescribed burning, timber sale preparation and GPS technology. Forest Technicians are required to work independently and with minimal supervision.
