Position: Transportation Coordinator

Green Diamond has a new job opening for someone who has the experience and the tenacity to be our Transportation Coordinator. The primary function of this role is using the available trucking capacity efficiently throughout the entire California properties while ensuring production goals and customer commitments are met. This is mostly log truck dispatch, but there will also be water, dump and lowbed trucks involved in the process as well. Not only will you be responsible for truck dispatching, but this role will also be working with many different employees helping with harvest operations status checks and other administrative tasks.

Benefits include: Competitive wages based on experience and qualifications, bonus plan, vacation, paid holidays, health benefits package, 401k and a company vehicle for business use.
