# RECRUITING FOR FELLOWSHIP

GrizzlyCorps is an AmeriCorps Program launched in 2020 in partnership with UC Berkeley's Project Climate at the Center for Law, Energy & the Environment (CLEE).

**We are seeking upcoming and recent college graduates who want to gain direct experience in sustainability and environmental resiliency while making a lasting impact in farm & forest communities across California.**

## WHY GRIZZLYCORPS?

The local farm and forest community experience provides critical insight into some of California's most pressing climate concerns.

Fellows will gain hands-on experience through GrizzlyCorps' two main tracks:

- regenerative agri-food systems
- fire & forest resilience

Each fellow will implement 1-6 capacity building projects.

Some examples include:

- farm action & fire reduction plans
- regenerative agriculture
- ecological forestry techniques
- carbon sequestration projects
- local resiliency plans
- educational outreach

**PRIORITY  
APPLICATION  
CLOSE MAR  
31st!**

**ADDRESSING  
COMMUNITY NEEDS  
TO THE CHANGING CLIMATE.**
