

California Operations
PO Box 68
Korbel, Ca 95550

August 18, 2022

Position: Timber Resource Analyst

Green Diamond is currently recruiting for a Timber Resource Analyst. This role provides leadership and analytical support for division level strategic projects and analytical support to all aspects of operations to improve operating performance. The incumbent will be expected to conduct various forms of analysis including investment modeling, cost analysis, high quality research, and analysis of industry, markets, competitors, and new business opportunities.

Requirements (partial list):

- Bachelor's degree in Business or Finance or equivalent experience with an undergraduate degree in forestry. California Register Professional Forester (RPF) License Preferred.
- Minimum of seven to ten years planning or financial analysis or other work-related experience with exposure to forestry and/or lumber business.
- Must have the ability to read and interpret maps.
- Advanced experience using Microsoft Office Suite of Products.
- Superior attention to detail and organizational skills.
- Ability to design and deliver presentations to corporate management.
- Ability to create a vision and develop the processes necessary to move toward that vision.
- Excellent analytical abilities and decision-making skills.
- Ability to be highly motivated and self-directed.
- Must have strong leadership skills. Work with integrity, trust and commitment, setting an example for others.

This is a full-time regular position working out of the Korbel, CA office in Humboldt County. This position is part of the division management team and reports directly to the Vice President and General Manager of California Operations.

Benefits include: Competitive wages based on experience and qualifications, bonus plan, health benefits package, vacation, paid holidays, 401(k) retirement and a company vehicle for business use.
