Are you interested in a wildfire career with the U.S. Forest Service? Then you've come to the right place to start your new career. Challenge yourself to new limits, join the Forest Service men and women who serve to protect millions of acres of our forests, our communities, and our natural resources.

Wildland firefighters may be required to work long hours in challenging and changing conditions, such as high temperatures and steep terrain. This job does have many rewards, including the opportunity to work in some of the most beautiful places in the country and create friendships that last a lifetime.

The U.S. Forest Service and other federal agencies hire wildland firefighters at different times of the year, depending on the location.

Opportunities:

- *Gain valuable work experience related to Forestry*
- *Work in team settings*
- *Learn hands on technical skills working on chainsaws, pumps, tools, etc.*
- *Earn money in the summer to support school or off season activities*
- *Build your physical fitness through team workouts and arduous work*
