

Natural Resources Internship Crew Chief

May 6 - August 30, 2024

The Baker Resources Coalition (BRC) is hiring a Crew Chief for its 2024 Summer Internship Program! The Crew Chief will lead and mentor a team of high school interns who will conduct wildfire mitigation, monitoring, and aquatic restoration work throughout Baker County, Oregon.
It's more than a summer job!

17-week position with potential for extension based on institutional need and employee performance.

\$25.00 per hour!

Must provide your own transportation to project sites!

To Apply: Scan QR code, visit our website at bakerresources.com, or use the back of this flyer! **Application deadline:** Wednesday, April 17, 2024

We are seeking a junior to senior level college student who is pursuing a college degree in a field related to natural resource management who has experience managing and/or working with youth. To learn more about our organization and work, or to contact us, visit our website at <https://www.bakerresources.com>.

- ❖ Think like a beaver: build beaver dam analogues to improve wetland/riparian habitat.
- ❖ Forest monitoring: 5th year interval data collection in forest monitoring plots.
- ❖ Wildfire mitigation: help local land managers reduce fire risk and increase forest resiliency.
- ❖ Learn about the ecosystem services and the roles natural resources play in meeting community needs.
- ❖ Develop leadership skills relevant to natural resource management!

Position Description: The Baker Resources Coalition (BRC) is hiring a Crew Chief to lead up to five high school interns working in Baker County. The Crew Chief will work with and mentor interns performing wildfire mitigation, beaver habitat restoration, and conducting data collection for forest monitoring plots with the United States Forest Service. The Crew Chief will work with BRC leadership to recruit and select high school interns. The crew chief will also confirm the scope of work and project schedule with landowners/managers. This is an opportunity to explore different facets of natural resource management while gaining valuable leadership experience. You will work on projects assisting land managers, gain insights into the roles natural resources serve in meeting community needs, and learn practical skills in forest, watershed, and wildlife management. This position is for **17-weeks** with compensation of **\$25.00 an hour**. The Crew Chief will work 5 days a week, approximately 8-hour days, with an additional hour of compensation provided if project sites exceed 30 minutes of travel from Baker City. You must provide your own transportation to and from project sites!
