

2024 Rayonier Portfolio Management Summer Internship

Overview

At Rayonier, people are the foundation for success and the key to making us the best-performing company in the forest products industry. We are proud of our long history of success, diverse business mix, and values-based work environment and invite you to consider an internship with Rayonier.

Department Description

Rayonier's Portfolio Management team is interested in filling two (2) intern positions for employment during the summer of 2024. The successful applicant will work with our Portfolio management team and receive job assignments based on their interests, skill sets, and the business needs of our team, with a primary focus on timberland valuation, forest biometrics and forest planning. Rayonier will endeavor to give you as much industrial forestry exposure as practically feasible.

Rayonier Portfolio Management Interns

The candidate selected for the Portfolio Management internship will be able to work on various portfolio management disciplines; however, specific tasks will likely depend on immediate business needs. There will be opportunities to explore other business units during the internship. At the end of the internship, there is an expectation that the intern makes a presentation on all the projects they worked on during the summer. The internship will work out of Rayonier's Wildlight, Florida, office location. However, this job may require company-paid travel to other parts of Rayonier's ownership (likely limited to Florida, Georgia, and Alabama).

Requirements:

- Graduate students (preferred), or students in their Senior year.
Senior (\$23/hr.) or Graduate studies (\$24.50/hr.)
- Degree Concentration – Forest Business, Forest Biometry, Forestry, Forest Management, Forest Operations, Finance, Real Estate.
- Internship duration will be ten to twelve weeks.
- Students must provide their housing but will be given a net of **\$2,100** lump sum if housing is required.
- Proficiency in *ArcMap* or *ArcGIS Pro*, *Word*, *PowerPoint*, and *Excel* is a minimum requirement. Additional skillsets in statistical software and programming (*R*, *SAS*, *Python et al.*) are a plus.
- The candidate should be self-motivated and able to work independently.

Interested students should submit a resume, cover letter and transcript to
recruitment@rayonier.com or Ebony Presha
(ebony.presha@rayonier.com)

Rayonier representatives will plan to conduct phone/video conference interviews with selected candidates.

Rayonier is committed to maintaining a work environment that promotes diversity and is free of discrimination. Except where prohibited by state law, all offers of employment are conditioned upon successfully passing a drug test.
