Forestry Technician - Intern

IRM currently has openings for Forest Interns for the summer of 2020. This is a seasonal, full-time salaried position. The successful candidate will need to be a self-starter and be self-motivated, with a very strong work ethic. They will be able to “lead their own parade” and work unsupervised for extended periods in steep adverse terrain during all weather conditions. Candidate MUST be willing to travel for extended periods of time.

Job Duties:

The successful candidate job duties will focus on conducting pre-sale activities -- tag and paint boundaries, GIS Fire Trailer deployment, and assisting IRM's senior project managers with other forestry needs.

Requirements:

- Must have at least a high school diploma and course work in Forestry.
- Must be a quick learner as the IRM staff will be trained the applicant on completing the tasks at hand.
- Open minded and enthusiastic about taking on new challenges, tasks, and projects.
- Self-motivated, high level of work ethic and able to work unsupervised for long periods of time.
- Willing to travel
- Be a licensed driver with a clean driving record (no DUI)

Job Type: Internship

Salary: \$3,000.00 /month

Education:

- High school or equivalent (Required)

How to Apply: Email a Resume, Cover letter and three letters of reference to:
