

## **Klamath Falls Job Opportunity Summer Manufacturing Intern**

*Apply today to join the hardwood veneer and plywood industry leader; see application instructions below.*

### **Position Purpose:**

The Intern will assist the Continuous Improvement Manager and other leadership in various capacities related to plywood manufacturing, team development, quality management, LEAN manufacturing, and other management/engineering responsibilities at the Klamath Falls hardwood plywood facility. The Intern will be expected to develop a working knowledge of the Lean Systems and Tools (Columbia Way). The intern will be required to work safely and demonstrate good communication and interpersonal skills in any assignment they take on.

### **Qualifications:**

- Substantial progress toward a 4-year degree preferred
- Experience in wood products or manufacturing field preferred.
- Previous supervisory/lead experience preferred.
- Understanding of Lean Systems preferred.
- Analytical and problem-solving skills.
- Ability to communicate effectively with employees and groups at all levels.
- Basic computer literacy - word processing, spreadsheets, e-mail.
- Some of these knowledge requirements may be acquired during the training period or while on the job.

### **To Apply:**

**For priority consideration, please send a resume by Tuesday, 3/10/2020, to Jeff Moresi, HR Manager at: [jmoresi@cfpwood.com](mailto:jmoresi@cfpwood.com).** Application deadline may be extended depending on the response. Interviews and other assessments may be required. *Please make sure you include a current phone number and email address and you check it often, as we may use them throughout the screening process.*
