

ALPINE FORESTRY

Crewmember - Forester / Arborist / Tree Worker / Wildland Firefighter

Park City, Utah

Job Description

Alpine Forestry is seeking hard working, motivated, strong, outdoor minded individuals to support multiple **forestry projects** in the Park City area. If you love working in the mountains with great people, **and have experience in chainsaw and / or equipment operations**, consider joining our local, specialized, and growing company. We have immediate openings for full time work. Positions can be seasonal with option to extend. We are a small growing company that is **looking to train up leadership from within** --coming on board now could mean greater opportunity for advancement as we get busier.

Responsibilities

Work as part of a small crew **cutting trees, thinning brush, building and burning slash piles, and operating chippers or other small equipment**. Our projects sometimes extend into building trails, reseeding for native restoration, and various types of conservation work. **Technical skills in tree climbing, rigging, and felling are also desired**. Requires attention to safety, detail, initiative, teamwork, and the ability to work long days in rough terrain and harsh weather.

Qualifications

Experience preferred. Compensation based on skill level and experience. Wildland fire qualifications, emergency medical certifications, commercial drivers license, mechanical skills, and other tree industry training certificates are desired.

Additional Information

Compensation: \$16-23 / hour + significant overtime opportunity (after 40 hrs/wk)

Field Season: May 1 - December 11

Apply by March 31, 2023
