

## **Skamania County, Washington invites applications for the position of:**

### **County Forester**

#### **Want to join something GREAT and make a difference?**

Skamania County has an exciting and unique opportunity in collaboration with the Washington State Department of Natural Resources and the U.S. Forest Service's Good Neighbor Authority program.

Are you someone who loves the outdoors, and is passionate about implementing restoration work on our natural landscapes in Washington State? If you love working in the outdoors in the sunshine and in the rain, appreciate a remote natural environment, enjoy providing assistance to the public, can think creatively and have good practical forestry skills with a proven ability for working independently and as part of a small team, then this is the job for you! Skamania County is seeking motivated individual to implement the Good Neighbor Authority at the county level as we join the Federal Lands Program – creating a team of expert restoration specialists focused on project implementation across the Gifford Pinchot National Forest

As part of this Program, you will work alongside a talented cadre of professional planners, scientists, and implementers providing service to state, and federal partners to increase the resiliency and health of the Gifford Pinchot National Forest. In this position, you will represent the county as part of an inter-agency team of skilled specialists focused on increasing the pace and scale of federal restoration work on the Gifford Pinchot. You will work independently and as a team with the DNR and USFS.

You will complete a broad variety of tasks from non-commercial hazardous fuels projects to commercial (timber sale) project presales work and associated contract development and administration. Aquatic and terrestrial habitat work, as well as forest road projects focused on reducing impacts to resources are also part of the job. Through extensive use of the Good Neighbor Authority, the Federal Lands Program works in coordination with DNR department staff, federal partners, and other state and local partners to plan and effectively implement projects that bolster critical restoration needs in these forested landscapes.

**Location: County facilities are in Stevenson, WA.**
