JOB

DESCRIPTION

Earn while you learn. Would you like to gain valuable education and real-world experience in all aspects of sustainable resource management with a wood products industry leader? SPI is excited to announce our updated Forestry Internship specifically designed to complement concepts learned in school while working alongside experienced resource management professionals.

The updated Forestry Internship position may include:

- Timber cruising
- Sawmill log procurement
- Timber Harvest Plan (THP) preparation
- Logging administration
- Harvest unit layout
- Wildlife & botany work
- GIS
- Road layout
- Reforestation

QUALIFICATIONS

Graduation from, current enrollment or acceptance in a Forestry, Natural Resources, or related program of study is preferred.

Interns must be able to cross-country hike and negotiate steep, brushy terrain.

Interns must have a valid driver's license.

Did you know SPI Forestry Internships often result in offers of employment upon graduation? Apply today!
