

OUTREACH NOTICE

2020 TEMPORARY POSITIONS

CUSTER GALLATIN NATIONAL FOREST

The Custer Gallatin National Forest will be filling multiple temporary (seasonal) positions for the upcoming 2019 field season. Openings will be available at the GS-2, through GS-7 levels and are for positions with a maximum six-month tour of duty (not to exceed 1,039 hours). The starting dates of the positions are anticipated to be between April and early June, 2019.

HOW TO APPLY:

Vacancy announcements will be open in USA Jobs from September 16, 2019 through September 30, 2019 for all kinds of seasonal positions in 2020. Including fire, recreation, biological science, engineering, forestry technician, range, office positions and surveying. All applications must be submitted through the [USA Jobs Website](#). If you have questions about a certain position, contact the individuals listed below. If you have having difficulty applying for jobs through the USAJOBS website, you may also contact the **Albuquerque Service Center-Human Capital Management at 1-877-372-7248**, option 2, for assistance.

The Custer Gallatin National Forest

Home to snow-capped peaks, world famous fishing, some of the tallest peaks in Montana, vast expanses of rolling hills and plains and unlimited access to one of the most popular National Parks along with numerous mountain biking, horseback riding and hiking trails to explore.

The Custer Gallatin is one of the most ecologically diverse forests in the region, as a gateway to the Absaroka Beartooth Wilderness, the Lee Metcalf Wilderness and Yellowstone National Park, adventure awaits our seasonal employees both on and off the job!

Opportunities to work on the Custer Gallatin National Forest are open!

The 3.1 million acre forest is a recreation destination for Montana and also lies just a short distance from Montana's largest city, Billings, MT. A significant part of the Greater Yellowstone Ecosystem; the largest intact ecosystem in the continental United States, the Custer Gallatin National Forest hosts a variety of seasonal positions in a wide array of disciplines. Jobs in fire, recreation, wilderness and trails work, range, reforestation, wildlife and dispatch are all at your fingertips.

Work as a team member suppressing wildfires and conducting fuels field work on a fire crew. Other positions work as part of a crew in the many developed recreation sites on the Forest or as part of a wilderness crew maintaining trails. As a range technician you will monitor allotments and conduct noxious weeds treatments or work within reforestation planting trees in post-fire rehab efforts.

Latch onto your summer work by exploring beautiful landscapes, applying real-world work experience and giving back to your Nation's public lands. The work is across the Forest in a variety of landscapes. You will learn to pay heed to the elements and incoming weather, physical exertion is a part of the job. Limited Forest Service housing may be available.

The Custer and Gallatin National Forest Supervisors Office is in Bozeman, MT serving seven ranger districts that are widely distributed across south central and southeast Montana, as well as the northwestern corner of South Dakota. The area is geographically diverse and spans close to 500 miles from the western most districts of Bozeman and West Yellowstone to the eastern most district of the Sioux in Camp Crook, SD. The Mountain districts include Hebgen Lake R.D. in West Yellowstone, Bozeman R.D., Yellowstone R.D. in Big Timber and Livingston, MT along with the Gardiner R.D. at the gates of Yellowstone National Park. Moving east the Beartooth R.D. sits at the foot of the Beartooth Mountains and one of the All-American Byways, the Beartooth Pass as another entrance into Yellowstone National Park. The two eastern districts move toward the prairie and encompasses vast expanses in southeastern Montana with Buttes and Bluffs it is a neat experience along the Tongue River breaks, based out of Ashland, MT and Camp Crook, SD for the Sioux R.D.

USDA Nondiscrimination Policy, June 2, 2015

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at http://www.ascr.usda.gov/complaint_filing_cust.html and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov (link sends e-mail).

USDA is an equal opportunity provider, employer and lender.
