# DANR Intern - Forest Health (Summer)(Job Id 18220)

**Location:** Rapid City

**Post Date:** 01/10/2022

**Agency:** Agriculture & Natural Resources

**Close Date:** 01/24/2022

**Employment Type:** Intern

**Salary:** 15.76 US

## Description

**Session:** Summer (May- August)

**Position Title:** Intern - Forest Health

**Supervisor:** Brian Garbisch

**Agency:** Department of Agriculture and Natural Resources

**Location:** Rapid City

**\*APPLICANT MUST BE A FULL-TIME STUDENT (MINIMUM OF 12 CREDIT HOURS) IN THE SEMESTER IN WHICH YOU APPLY.**

### Position Description:

The Forest Health Intern will develop skills related to forest insect and disease monitoring, including forest pest surveying and pest identification, working alongside government and non-government organizations across the state of South Dakota. This position will also assist with GIS data collection, mapping, stewardship plan monitoring, community forest inventory, and educational outreach.

### Qualifications:

Applicant must be a full-time student at a college, university or technical institute at the time they apply. By the start of the internship, the applicant should have at least a sophomore standing or currently be enrolled at a technical institute and have completed one year (nine months).

Preference will be given to applicants with a junior standing, South Dakota residents and students of South Dakota institutions.

Specific Forestry coursework, such as dendrology, forest insect and disease, and general forest management is preferred. Applicants must have a valid driver's license.

**Minimum Salary:** \$15.76
