

# Hardwood Ecosystem Experiment

<http://HEEForestStudy.org>

*A long-term, large-scale experimental study of forest management and its impacts on plants and animals*

Job Title: Field Technician - Overstory Crew Member (8-10 positions)  
Agency: Purdue University – Dept. of Forestry & Natural Resources  
Closing Date: Feb. 26, 2021 or until filled  
Start Date: March 15<sup>th</sup>, 2021 (3 positions) or May 17<sup>th</sup>, 2021 (6-8 positions)  
End Date: Flexible, but approximately August 13<sup>th</sup>, 2021  
Compensation: \$11.00-14.00/hour (depending on experience) and housing\*

Overstory Crew Members will help carry out research on the effects of silvicultural treatments on the ecology of managed forests as part of the Hardwood Ecosystem Experiment (HEE) near Bloomington, IN. The primary duty for these positions will be to conduct overstory tree surveys including measurement and identification of trees, saplings, and seedlings as well as shrubs. Overstory crew members may also be asked to assist with sampling of forest insects and moths at certain times throughout the field season.

## Qualifications:

### Required

- Field or classroom experience conducting forest inventories
- Strong tree and shrub identification skills
- Valid driver's license with a good driving record
- Willingness to work in extreme conditions, including traversing rugged terrain through dense, thorny shrubs and working in high temperatures and high humidity

### Preferred

- Experience with tree and shrub identification in the Midwest
- Experience with hand-held GPS units, maps, and compasses

Each work week will generally consist of five 8-hour days in summer months. Work will not exceed 40 hours in a week. *Start and end dates are somewhat flexible depending on individual's schedules.* Please contact Charlotte Owings ([freemac@purdue.edu](mailto:freemac@purdue.edu)) for specific questions.

To apply, please complete the application, available for download at <https://heeforeststudy.org/jobs/> . **Send the completed application along with a resume by email or mail to:**

Charlotte Owings  
HEE Project Coordinator  
715 West State Street  
West Lafayette, IN 47907
