

Join us as a Wood Utilization and Marketing Program Specialist!

Under the guidance of the Manager of Program Delivery, you'll oversee and administer programs focusing on wood utilization and marketing. Your role will involve designing and delivering education and outreach programs on harvesting, manufacturing, and marketing wood products. With a key emphasis on providing technical and marketing assistance to Colorado's sawmills and wood products processors, you'll also offer professional forestry consultation and expertise on forest biomass. Building and maintaining relationships with partners and representing the agency on state and regional committees are vital aspects of this role. If you're skilled in program management, budget tracking, and relationship-building, and are passionate about promoting forest management, join us and make a difference!
