2. Conduct timber cruises.
3. Lead field crews when conducting pre-sale activities, and when marking and cruising timber.
4. Assist in designing timber sale cruises.

5. Apply silvicultural prescriptions and marking guidelines on timber sale projects.
6. Inspect timber sale contracts and other related pre-sale and post-sale contracts.
7. Assist in conducting timber appraisals for a variety of timber products, including timber sales, post and pole sales, firewood, biomass, and wood chips.
8. Provide on-the-job training for subordinates and temporary/seasonal employees.
9. Assist in implementing Stewardship Agreement and Participating Agreement projects with an emphasis on the field aspects of the project, including leading field crews.
10. Assist with monitoring environmental impacts of forest restoration activities.
11. Record field information and data correctly and accurately.
12. Maintain accurate and orderly records and files.
13. Provide reports to the Forester as required or requested.
14. Like all employees of the Klamath Tribes, the incumbent will be called upon to accomplish other tasks that may not be directly related to this position, but are integral to the Klamath Tribes' broader functions, including but not limited to, assisting during Tribal sponsored cultural, traditional, or community events that enable the successful operation of programs and practices of The Klamath Tribes as aligned with The Klamath Tribes' Mission Statement. Some of these tasks may be scheduled outside of regular work hours, if necessary.

SUPERVISORY CONTROLS

The Forestry Technician II works under the direct supervision of the Forester I who provides general instructions regarding work schedule and protocols, and review of work products. The Forestry Technician II must be able to independently follow silvicultural prescriptions, marking guidelines and other technical direction.
