

**LANE COUNTY PUBLIC WORKS – EUGENE, OREGON**

Land Management Technician  
Lane County Public Works Land Management  
#201900383

---

**LAND MANAGEMENT TECHNICIAN – FIREWISE PROJECT**

This Land Management Technician position works primarily in support of the Firewise Incentive Project within Long Range Planning. Duties entail a mix of field and office work, including conducting basic site inspections; processing grant applications; and performing education and outreach efforts related to natural hazards mitigation as it applies to land use. Position also performs other duties as assigned related to planning, building, and/or compliance program assistance. *NOTE: This is a limited duration position, subject to the availability of funding, estimated to be likely one–two years in length.*

---

**REQUIREMENTS:** Listed directly below are the minimum requirements for this position.

- Equivalent to the completion of two years of college level coursework in drafting, land surveying, urban planning, construction, or a related field.
- One year of paraprofessional planning or building experience.

*Applicants with an equivalent combination of experience and training that demonstrate the required knowledge and abilities is also qualifying.*

---

**SALARY & BENEFITS:** The salary for this position is \$20.01 - \$27.68 per hour.

- Medical, Dental & Vision Insurance
- Wellness Clinic for Benefits-Eligible Employees, Spouses & Dependents
- Participation in the Oregon Public Service Retirement Plan (OPSRP)
- Voluntary Deferred Compensation Plan
- Life & Accidental Death & Dismemberment Insurance
- Long-Term & Short-Term Disability Insurance
- A generous Time Management Program for vacation and sick leave
- Nine paid holidays per year
- Fitness Center Membership
- Access to an Employee Assistance Program
