Job Announcement: Operations Coordinator

Marys River Watershed Council (MRWC) is searching for a full-time Operations Coordinator. Primary duties of the position will be assisting the MRWC's Executive Director in managing the day-to-day operations of MRWC. Responsibilities include office, equipment, and IT management; financial management support and expense tracking; meeting facilitation; fundraising support; website management; constituent database data entry and queries; and staff development and human resources support. This is a new position to the organization, so it will require initiative to help define and clarify roles and responsibilities.

Reports to MRWC Executive Director

Status: At-will, full-time, exempt salaried position

Compensation: Range of \$48,000 to \$60,000, commensurate with experience.

Benefits: MRWC offers a competitive package of medical, vision, and dental insurance, paid time off, and up to 3% retirement matching in a SIMPLE IRA.

Location: This position is based out of the Marys River Watershed Council office in Corvallis, Oregon. The position requires the successful applicant to be locally-based.

Recruitment Timeline:

Position posted – July 22, 2024

Review of applications to begin – August 16, 2024

Position is open until filled. If the position announcement is active on www.mrwc.org, we are still accepting applications.

MRWC has embarked on an Equity, Diversity and Inclusion (EDI) journey, which includes Board and staff trainings and the development and application of an equity framework to our operations and programs. The Operations Coordinator position will participate in and help support this work. We believe that diverse perspectives strengthen an organization and encourage people with diverse backgrounds and life experiences to apply. MRWC is an equal opportunity employer and prohibits discrimination on the basis of race, color, national origin, age, disability, sex, gender identity, sexual orientation, religion, political beliefs, income status, marital status, or familial or parental status.

What we'd like to see

The position calls for a self-starter who can work across all of MRWC's programs. The ideal candidate will be a detail-driven team player with a willingness to learn new skills and grow into new areas. We are looking for someone with strong communication and time management skills who values learning and having fun.

We encourage applicants from all backgrounds to apply, even if you do not meet all of the preferred qualities below. Studies have shown that Black, Indigenous, and People of Color (BIPOC), women, and other marginalized groups are less likely to apply for jobs unless they believe they meet every one of the qualifications as described in a job description. We are most interested in finding the best candidate for the job. If you are interested in applying, we encourage you to think broadly about your background and qualifications and how not only your professional and educational experiences, but traditional, lived, and volunteer experiences contribute to meeting qualifications.

Desired Qualifications and Qualities

- Financial management, grants management, business administration, bookkeeping, and/or experience in another closely related field. This experience could come from any of the following:
 - A related Bachelor's degree with at least 2 years of relevant experience;
 - – or – Three years of relevant experience.
 - – or – Five years of other lived experience (please specify in cover letter).
 - – or – Any combination of the above.
- Strong attention to detail, accuracy, and dependability. Ability to document and track data in an organized fashion.
- Experience working with Microsoft Excel required.
- Experience working with Google Suite and Microsoft Office required.
- Proficiency with social media engagement, web design, and document design is highly desired.
- Experience working with QuickBooks is a major plus.
- Experience managing websites with a web-hosting service, especially Wordpress, is a major plus.
- Interest in and an aptitude for technology and proclivity for problem-solving technical issues is highly desired. We are seeking someone with a desire for and openness to research, learn, adopt, interface, tinker with, and teach others about new technologies, tools, and systems.
- Experience with Little Green Light or another customer relations management tool is a major plus.
- Motivated, hard-working, ready to learn; ability to work both independently and as part of a team.
- Ability to handle confidential or sensitive information appropriately and interact with various partners, landowners, volunteers, and donors in a courteous and professional manner.
- Excellent interpersonal communication skills, both verbal and written.
- Familiarity and comfort with a non-profit atmosphere is a plus.
- History of successful grant writing is a major plus.
- Experience of applying for and managing local, state, and federal permits is a major plus.
