United States Forest Service – Pacific Northwest Regional Office, Portland, OR

Latinx Engagement Coordinator Resource Assistant (100% Telework Available)

Please respond by **August 22, 2021**

Delivering Benefits to a Multicultural Public – Resource Assistant Program

The Northwest Youth Corps (NYC) in partnership with the United States Forest Service (USFS) will be advertising for a bilingual or multilingual **Latinx Outreach Program Coordinator Resource Assistant (RA)**. This is a 9.5-month full-time work experience from approximately September 2021 to June/July 2022. Upon completion of the RA program, the selected individual will be eligible to receive Direct Hire Authority for United States Forest Service positions, enabling the individual to be selected for and placed in permanent federal positions. The Direct Hire Authority is active for 2 years once issued.

Position: Latinx Outreach Program Coordinator (internship)

Target start date: September 2021

Duration: 1600 hours (approximately 9.5 months)

Status: Full time. Evenings and weekends regularly required.

Duty Location: U.S. Forest Service Pacific Northwest Regional Office, Portland, Oregon. Work will take place in a 100% telework capacity.

Staff Area: Office of Communications and Community Engagement.

The Office of Communications and Community Engagement coordinates: media relations, Congressional affairs, youth engagement, conservation education, public involvement, partnerships, volunteer and service programs, internal communications, employee engagement, brand management, graphic design, printing and audio-visuals for the Region

Overview: The U.S. Forest Service Pacific Northwest Region seeks a bilingual or multilingual resource assistant to work in the Office of Communications and Community Engagement in Portland, Oregon. The U.S. Forest Service Pacific Northwest Region manages 24.75 million acres across 16 National Forests, 59 District Offices, a National Scenic Area, and a National Grassland across Oregon and Washington. Within the region, there are more than 2,400 developed recreation sites, over 24,000 miles of trails, 51 Wild and Scenic Rivers, and two national monuments. Through culturally relevant partnerships, engagement, and communication, the U.S. Forest Service Pacific Northwest Region builds connections with rural and urban communities to help sustain the health, diversity and productivity of these lands to meet the needs of present and future generations.

Position Description: The [Resource Assistant Program](#) is a rigorous and immersive paid internship for individuals interested in Forest Service careers. Resource Assistants (RAs) work with Forest Service staff to complete

mission-critical work that demonstrates leadership, critical thinking, and strategic communication. Through direct training, experience, and exposure, RAs gain the tools to launch their natural and cultural resource careers.

Through a partnership with Northwest Youth Corps, the selected Resource Assistant will support the Pacific Northwest Regional Office of the U.S. Forest Service in conducting culturally and linguistically relevant outreach with Latinx community members across urban and rural settings. Ever the more critical in a COVID environment, these efforts will focus on conveying information in Spanish and in English through contemporary engagement practices that promote public involvement and awareness of Forest Service functions; enhance public safety and health in relation to wildfire; convey opportunities associated with employment, special uses, and special forest products; and increase public knowledge of natural resource and land management topics. This is an immersive professional internship that requires a skillful and confident applicant who can manage a portfolio of work with the support of permanent staff. This position would offer an estimated near GS-5/7 qualifications.

Position responsibilities will include:

Engagement:

- Explaining complex, scientific or technical processes and giving public presentations on various technology platforms and media interviews in fluent Spanish and English.
- Developing and strengthening partnerships with Latinx organizations and community groups primarily serve underrepresented populations.
- Attend virtual Latinx community events as a Forest Service and Northwest Youth Corps representative to strengthen agency presence and connection with Latino communities.
- Assist the U.S. Forest Service and Northwest Youth Corps in the advancement of diversity, equity, and inclusion efforts within the organizations and within their programs, processes, and approaches. Provide input from observations and community feedback on Diversity, Equity and Inclusion efforts.
- Assist in creating an internal, safe and inclusive community for resource assistants and new employees.
- Work with local forest units – such as the Mt. Hood and Gifford Pinchot National Forests and Columbia River Gorge National Scenic Area – to coordinate potential partnerships, sustain relationships with communities, and to develop programs to reach those communities.
- Assist in the development of materials, digital media and communications products in Spanish for local Latinx communities, including news releases, stories, and handouts.
- Serve as agency spokesperson for radio and print interviews for Spanish media outlets.
- Assist in narration and video production promoting Forest Service programs and opportunities.

Administrative:

- Work on the construction of crucial agency agreements with partner organizations to accomplish important work in national forests. Such work may also include liaising with current and potential partners to facilitate relationship growth and the development of the agreement instruments.
- Assist in the development of strong record-retention processes and utilize cloud and hard-copy systems to improve file management and sharing.
- Assist in the writing, editing and development of agency contracts in order to learn about the federal contracting process and facilitate the completion of critical regional communications and public service work.
- Contribute to departmental database management and upkeep, ensuring strong internal and external communication streams.

Requirements

- Verbal and written fluency in the Spanish and English languages. Preference for native speakers.
- The ability to work through and process emotionally challenging dialogues and experiences with community members and strike a balance between high performance and self-care.
- Must be able to work during evenings and weekends in a community-based setting with some regularity and maintain a flexible schedule. This work is often done alone and occasionally is done with other Resource Assistants or permanent staff. Position is not eligible for overtime, but excess hours can be flexed within pay period. Excess hours are not encouraged.
- Successful completion of a background check.
- Applicants must be U.S. citizens or permanent residents over 19 years old.

Program Benefits

- A total stipend of \$24,600 divided evenly across a 40-week term
- Health care coverage, workers compensation, and FICA/Medicare.
- \$1,275 in funding for relocation, travel expenses (including public transit reimbursements), and work-related training and professional development opportunities
- A minimum of 62 hours of paid time off
- RA will have special United States Forest Service Direct Hire Authority upon completion of a minimum of 960 hours of service
