

CAREER OPPORTUNITY

The Parks Supervisor for Natural Resources & Stewardship

directs, develops, implements, and supervises natural resource and stewardship management for the community. Manages and directs personnel, operations, and maintenance of assigned natural areas and natural resources including public trees, natural area parks, and trails. Administers natural area management plans, Urban Forestry management, tree inventory database, and protection of park resources. Ensures the safety and security of operations and compliance with public health and safety and licensing regulations. Supports and guides department and system-wide projects.

Full-time Non-Represented
FLSA-Exempt position
12-month probationary period

Must meet all qualifications and requirements as listed in the [position description](#).

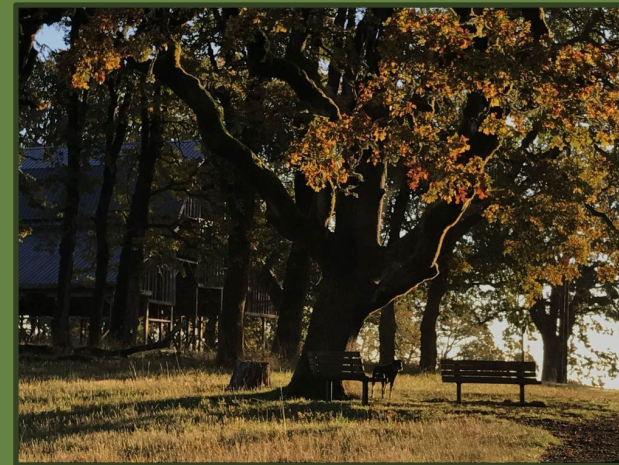

Annual Salary: \$82,953.96 - \$111,293.28

Apply By: February 7, 2025

At Parks and Recreation, our mission is to preserve and create a community heritage by providing places and programs designed to enhance the quality of life.

The Parks Operations Division of Corvallis' Parks and Recreation Department cares for over 2000 acres of parks, playgrounds, playing fields, trails, natural areas, and beautification areas.
