

POSITION ANNOUNCEMENT

Grassland Oregon is looking for a **Research Associate/Seed Buyer** to join our team at our Salem, Oregon location. This is an entry level position that will expose you to many facets of the seed industry. Grassland Oregon is known for bringing Novel Solutions for Growing Concerns and has introduced more novel species to the marketplace than any of our competitors. If you are looking to be a part of a fun-loving, team; this position could be for you.

Research Associate Duties (80% of time) – Assist in the planting, harvesting, threshing, and the cleaning of seed. Will also assist in keeping nurseries free of weeds via herbicide treatments and manual labor. This may include working in inclement weather often by yourself. May require some travel.

Seed Buyer Duties (20% of time) – Duties will be to periodically assess needs and work with staff to ensure that inventories meet demands. Will develop relationships with growers and warehouses to source product for purchase.

Requirements – Must be personable and outgoing.

- Have a positive attitude.

- Tolerate exposure to outside elements.

- Perform physical work, lifting up to 50 lbs. occasionally

- Understand verbal and written English

- Ability to understand and comply with any and all safety requirements.

- Strong organizational skills, able to work with a high degree of accuracy and attention to detail.

- Strong work ethic and dependability.

- Team player.

- Valid Oregon Driver License

Preferred Qualifications

- Familiarity with Agriculture

- Degree in agricultural field of study.

- Mechanical aptitude and the ability to maintain equipment.

Grassland Oregon offers a competitive salary, dental, health, and vision insurance for employee and family, paid time off, and a 401k w/generous match.

To apply please submit your resume **and** a cover letter stating why you should be considered for this position. To email your application; please send to info@grasslandoregon.com
