

Seasonal Maintenance Craftsman Job Description

Pay Rate

\$14.00-16.00/hour

Location

Lucky Peak State Park- Discovery Unit, Sandy Point Unit, Spring Shores Marina Unit; Boise Idaho 83716

Length of Employment

The length of employment differs among the parks, but typically lasts from the latter part of May to the first part of September. However, there are jobs that begin as early as March and may last into November. Maximum 5 months consecutively before required lay off period.

Minimum Requirements

Job duties require employee to be at least 18 years of age. You should be able to perform routine maintenance tasks such as cleaning rest rooms, operate a variety of equipment, follow written and oral instructions, perform moderately heavy labor, work under adverse weather conditions, and deal appropriately and tactfully with others.

- Have or obtain a valid driver's license by date of employment.
- Ability to pass a background check.
- Good knowledge of carpentry, plumbing, electrical and general building maintenance
- Some knowledge of groundskeeping, i.e., mowing, trimming, small engine repair, and irrigation.

Preference given (but not required) to applicants with work experience in:

- HVAC and mechanical systems maintenance
- Building codes, reading blueprints and schematics, GIS
- Skilled carpentry, plumbing, electrical, building construction and repair.
- Using and maintaining tools and equipment normally associated with carpentry, mechanics, plumbing and electrical work.

Typical Job Duties:

Facility Maintenance (20-40%): Maintains and repairs panels, circuits, wiring, and related systems. Replaces switches, receptacles, ballast's, fuse boxes, heat systems, motors, fans and lights. Repairs electric motors and extension cords. Maintains and repairs plumbing fixtures, lavatories, faucets, sinks, tubs, water heaters and water service and drain lines. Cleans/unclogs pipes, tanks, floor drains and sewers.

Grounds Maintenance (15-25%): Installs domestic, irrigation, and sprinkler systems. Removal, processing, and planting of trees. Mowing, trimming, and weed whacking.

Carpentry and Construction (20-40%): Installs ceramic floor and wall tile, linoleum, plastic laminate, and similar products. Repairs built-up, shake, shingle, and other roofs. Patches holes in walls using sheetrock, plywood, tile, and plaster. Builds walls, partitions, benches, decks, and tables. Builds and sets forms and pours and finishes concrete. Builds fences and gates.

General Operations (40-50%): Conducts preventive maintenance and inspections on buildings, marina docks, and fire suppression and fuel line systems. Operates equipment used in building maintenance and repair, i.e., tractors, backhoe, chainsaw, table saw, miter saw, etc. Performs machinist work involving design and fabrication of specialized parts and equipment. Welds and repairs and fabricates brackets, fixtures, and similar items. Rebuilds motors and performs mechanical and preventive maintenance work on equipment. Repairs appliances. Functions as a co-leader with park rangers over other seasonal maintenance staff and assists with general related trade duties.
