

Job Opening

Integrated Resource Management, is a full service forestry consulting firm based in Philomath OR. Please visit www.irmforestry.com to learn more about IRM. This summer, IRM will be conducting a large timber marking job for the Modoc National Forest near Medicine Lake California..

Summer Internship/Forest Inventory Technician – Crew Member

IRM currently has an opening for 2 Summer Internships/Forest Inventory Technicians – Crew Member. These positions are summer jobs and ideally suited to Juniors or Seniors (we will consider Sophomores DOE). The successful candidates will be self starters and self motivated, with a very strong work ethic.

Job Duties:

The successful candidate will work as part of a five person crew marking timber as part of a 1000 acre thinning project. The work is located in at Medicine Lake on the Modoc National Forest. The crew will be housed in a field camp for the summer.

Requirements:

- Must have completed the core requirements in a Forest Management or Forest Engineering curriculum.
- In addition, the following coursework is required:
 - Aerial Photo Interpretation
 - Forest Measurements
 - Dendrology
 - Tree and Plant Identification
 - Forest Mensuration coursework is a plus.
 - *(Actual work experience may be substituted for coursework requirements -- DOE)*
- Open minded and enthusiastic about taking on new challenges, tasks, and projects.
- Self-motivated with a high level of work ethic.
- Be a licensed driver with a clean driving record (no DUI)
- Be able to provide personal transportation to the field camp at Medicine Lake

Compensation:

- \$20 per hour + production bonus.
