

## SUMMER EMPLOYMENT with the US Forest Service

Middle Fork Ranger District is looking for seasonal field crew members in **Hydrology** and **Engineering!**

Great resume builder and opportunity to learn the work your Land Management Agencies are doing.

Starting mid-June to early July for up to 60 days.

Wage range: \$16.14-\$18.06 per hr., 40 hours per week, Monday-Thursday

Middle Fork Ranger District, Willamette National Forest office located in Westfir, OR

Field work involves walking through the forest and streams completing stream & road surveys

Looking for those with both a positive attitude and ability to hike in the woods.

Interested people can email [lisa.kurian@usda.gov](mailto:lisa.kurian@usda.gov) for more information. We look forward to hearing from you!
