

Survey Crew Chief

Northwest Surveying, Inc. is seeking an *experienced and motivated surveyor* to join our growing team. We are a land surveying firm located in Beaverton and serving the greater Portland/Vancouver metropolitan area. We specialize in commercial and industrial development including topographic and ALTA surveys, boundary surveys, elevation certificates and construction staking.

The Survey Crew Chief position will require working as either a one or two-person crew to perform field survey work. We are looking for an individual with experience leading field surveying efforts, strong communication skills, a professional attitude, and a desire to grow in their role.

Required Work Experience or Skills:

- Ability to operate Trimble Total Station equipment, levels and data collectors. GPS equipment is a plus but not required.
- Previous work experience and ability to perform various survey tasks
- Ability to carry and lift up to 60 lbs. of surveying equipment
- Communicate directly and effectively with clients and other staff members
- Enforce safety practices in the field and safely navigate all types of terrain, potentially hazardous sites and in all weather conditions
- Valid Driver's License and clean driving record
- Knowledge of AutoCAD Civil 3D is a plus

Compensation: Based on experience.

We also offer a competitive benefits package including medical, 401K and paid vacation, sick and holiday time.

If you are interested in this job opportunity, please submit your resume with a cover letter to anna@nwsrvy.com. Feel free to also visit our website for more information about the firm at www.nwsrvy.com.
