You must complete this application process and submit all required documents electronically by 11:59 p.m. Eastern Daylight Time (EDT) on the closing date of this announcement.

Applying online is highly encouraged. We are available to assist you during business hours (normally 8:00 a.m. - 4:00 p.m., Monday - Friday). If applying online poses a hardship, contact the Agency Contact listed below well before the closing date for an alternate method. All hardship application packages must be complete and submitted no later than noon ET on the closing date of the announcement in order to be entered into the system prior to its closing.

This agency provides reasonable accommodation to applicants with disabilities on a case-by-case basis; contact the Agency Contact to request this as listed on the announcement.

Step 1 – Create a USAJOBS account (if you do not already have one from login.gov, which was implemented in early 2018) at www.usajobs.gov. It is recommended as part of your profile you set up automatic email notification to be informed when the status of your application changes. If you choose not to set up this automatic notification, then you will have to log into your USAJobs account to check on the status of your application.

Step 2 - Create a Resume with USAJOBS or upload a resume into your USAJOBS account. You may want to customize your resume to ensure it documents duties and accomplishments you have gained that are directly related to this position in order to verify that qualifications are met. In addition, your resume must support your responses to the online questionnaire (you may preview the online questionnaire by clicking on the link at the end of the How You Will Be Evaluated section of the job announcement).

Step 3 - Click "Apply Online" and follow the prompts to complete the Occupational Questionnaire and attach any additional documents that may be required.

You can update your application or documents anytime while the announcement is open. Simply log into your USAJOBS account and click on "Application Status." Click on the position title, and then select "Update Application" to continue.

REQUIRED DOCUMENTS

The following documents are required for your applicant package to be complete. Our office cannot be responsible for incompatible software, illegible fax transmissions, delays in the mail service, your system failure, etc. Encrypted documents will not be accepted. Failure to submit required, legible documents may result in loss of consideration.

- Resume that includes: 1) personal information, such as name, address, contact information; 2) education; 3) detailed work experience related to this position as described in the major duties, including work schedule, hours worked per week, dates of employment; title, series, grade (if applicable); 4) supervisors phone number and whether or not the supervisor may be contacted for a reference check; 5) other qualifications.
- If education is required or you are using education to qualify, you must submit a copy of your college transcripts. An unofficial copy is sufficient with the application; however, if you are selected, you will be required to submit official transcripts prior to entering on duty. Education must have been successfully obtained from an accredited school, college or university. If any education was completed at a foreign institute, you must submit with your application evidence that the institute was appropriately accredited by an accrediting body recognized by the U.S. Department of Education as equivalent to U.S. education standards. There are private organizations that specialize in this evaluation and a fee is normally associated with this service. For a list of private organizations that evaluate education, visit <http://www.naces.org/members.htm>. All transcripts must be in English or include an English translation.
- If claiming veteran's preference, you must submit a DD214, Certificate of Release from Active Duty, which shows dates of service and discharge under honorable conditions. If currently on active duty you must submit a certification of expected discharge or release from active-duty service under honorable conditions not later than 120 days after the date the certification is submitted. Veteran's preference must be verified prior to appointment. Without this documentation, you will not receive veteran's preference and your application will be evaluated based on the material(s) submitted.
- If claiming 10-point veterans' preference you must provide the DD214 or certification requirements (see above bullet), plus the proof of entitlement of this preference as listed on the SF-15 Application for 10-point Veterans Preference. The SF-15 should be included but is not required. Failure to submit these documents could result in the determination that there is insufficient documentation to support your claim for 10-point preference. For more information on veterans' preference see <http://www.fedshirevets.gov/job/vetpref/>
