**Position: Forester I**

**Green Diamond Resource Company** is currently seeking a qualified candidate for a full time Forester. The Forester I provides high quality field assistance to the Registered Professional Foresters (RPF's) in the engineering of harvest units and roads for the development of Timber Harvest Plans. This position supports a wide variety of field layout tasks associated with THP design to include: flagging boundaries, stream protection zones, property lines, wildlife retention areas, wildlife key habitat features (green trees, snags, ponds, seeps etc.), tree marking, and stream classification. Also aids in the reconnaissance of new larger stands of timber for the eventual future development of roads and harvest areas.

This position will be exposed to all facets of forestry. Will gain knowledge and training with the goal to eventually become a Registered Professional Forester.

**KNOWLEDGE, SKILLS AND ABILITIES REQUIRED:**

- Successfully completed college forestry courses such as dendrology, surveying, forest road layout and design, and logging systems.
- Must have a valid drivers' license.
- Knowledge of how to apply road and harvesting design principles during field layout.
- Proficient computer skills in Microsoft Office Suite.
- Must be able to take responsibility for the quality of his/hers work products as well as his/ hers own personal safe behaviors.
- Must be proficient in the use of forest engineering equipment.
- Must be an active and contributing participant in Green Diamond safety program.
- Demonstrated ability to navigate with the aid of a map and compass.
- Ability to work overtime as necessary.

**Desired:**

- Bachelor's Degree in Forestry, Natural Resources Management or related field -- (or equivalent combination of education, training or experience that provides the required knowledge skills and abilities).
- Previous field layout experience related to forestry.
- Knowledge of harvesting systems and road layout skills.
- Working knowledge of the California Forest Practice rules and the application.
- Advanced working knowledge of logging systems, equipment operation, and field layout experience

Benefits include competitive wage compensation to include bonus plan, vacation, paid holidays, health benefits package, life insurance, 401k and a company vehicle for business use.
