

FG-Resource Intern:

Stimson Lumber Company is seeking to fill 2 temporary intern forestry positions in our Oregon Reforestation Department. Employment duration is flexible, but will generally be for the months of June through September 2021. This is a field-oriented position that requires physical work in outdoor conditions 17.50 \$/hr.

Tasks will primarily include stand surveys in a variety of reforestation age classes and other general forestry work. This position will be based out of our Gaston, Oregon or Tillamook, OR office. Daily job sites will vary throughout northwest Oregon. The applicant can expect to work 40 hours/wk (8 or 10 hrs/day). A company vehicle is provided for use during work hours.

Successful applicants must:

- Have minimum standing at the end of the 2021 school year as a sophomore in a Forestry related program.
- Be able to work independently or in small groups.
- Possess a valid drivers' license and have an acceptable driving record.
- Spend 6+ hrs/day navigating steep terrain in all weather conditions.
- Pass a background and drug screen.

Potentially helpful skills:

- Ability to use Arc Info 10 and other Microsoft Office based computer programs.
- Photo interpretation, field location, and basic land navigation skills.
- Regeneration survival survey and forest inventory experience.
- Field experience in pesticide application and pre-commercial thinning.
- Have the ability to use, or learn to use a manual transmission vehicle.
