## Vacancy Announcement

**USDA Forest Service - Pacific Northwest Research Station  
Resource Monitoring & Assessment Program**

**Forest Inventory and Analysis (FIA)  
Forestry Technicians – Crew Members -- GS-0462-05/06**

### **General information:**

The Resource Monitoring and Assessment Program is advertising to fill several Forestry Technician, GS-0462-05 and GS-0462-06. These are temporary (1039 hour) seasonal positions with the PNW Forest Inventory and Analysis (FIA) Work Unit, one of four FIA Units across the country that comprise the national Forest Inventory and Analysis (FIA) program.

We are advertising positions in all duty stations in California, Oregon, and Washington, with an anticipated start date of April – May of 2020. Please know, we may not fill in all duty stations, as staffing needs for next season are still not known. It is recommended that you apply to any duty station where you would be willing to accept a job. These positions are being advertised now to fill vacancies for the 2020 field season.

Please pay close attention to the following announcement numbers, **as there are two different GS-6 vacancy numbers.**
