

SEASONAL 2020 EMPLOYMENT OPPORTUNITIES BOTANICAL SURVEY TECHNICIANS

BASE LOCATIONS

Anderson, CA
Camino, CA

Hourly wage will be based on experience & qualifications.

These positions will require overnight travel and work outside of the base location. Meals/lodging will be provided by SPI when assigned to work from a location other than their base location. Employees must find their own housing within the base location during dates of their employment.

*Grouse Lake Meadows,
Trinity Mountains, CA*

Our Botanical Technicians gain experience with nearly 100 plant families across the Company's ownership and have unique opportunities to work in California's North Coast Ranges, Klamath Ranges, Cascade Ranges, Modoc Plateau, and Sierra Nevada.

JOB DESCRIPTION

Under the supervision of a botany crew leader, the successful applicants will conduct botanical surveys on SPI forests. These surveys are conducted in **various forest types** throughout northern & central CA. Qualified applicants must be able to collect detailed field data, work in remote field locations, hike steep slopes over uneven terrain, and work full days in all types of weather. Transportation from the base location to the field is provided.

Duties include, but are not limited to:

- Navigating forest roads & terrain using digital and hard copy maps.
- Recording geologic, topographic, and habitat site characteristics.
- Plant ID of CA flora to family, genus, and species.
- Survey proposed timber harvest areas and other special projects for rare plant species & collect supporting documentation and vouchers.

QUALIFICATIONS

- College coursework in botany, biology, forestry, or related natural resource field. Coursework must include plant taxonomy or plant ID. Desirable coursework includes general botany, biology, plant ecology, soil science, and geology.
- One season of botanical field work is desirable, but not required.
- Ability to ID plant species in the North Coast, Klamath, Cascade, Modoc, and Sierra Nevada regions.
- Map/photo interpretation ability. Prior GPS and data recorder/tablet use desirable.
- Driver license required

DEADLINES

1st Round: **December 6th**
2nd Round: **February 14th**

APPLY ONLINE
