

**California Timberlands Division
PO Box 68
Korbel, California 95550**

Position: Forester

Green Diamond is currently seeking qualified candidates for full time Foresters. The Forester provides high quality field assistance to the Registered Professional Foresters (RPF's) in the engineering of harvest units and roads for the development of Timber Harvest Plans. This position supports a wide variety of field layout tasks associated with THP design. Aids in the reconnaissance of new larger stands of timber for eventual future development of roads and harvest areas. Documents and records technical information related to THP work and is exposed to all facets of forestry.

This position has a progressive career path. You will learn and grow through guidance, mentoring and support from other more seasoned foresters. With the knowledge and training you receive, the goal is to have you eventually take the exam to become a licensed Professional Forester in California.

Benefits include: Competitive wage compensation, bonus plan, vacation, paid holidays, health benefits package, life insurance, 401k retirement plan and a company vehicle for business use.
