

Chinook Forest Management, LLC (CFM) is seeking to hire a full-time field forester to join our growing team in Southern Oregon. This position will be based out of our Grants Pass, Oregon office.

Applicants must be highly organized, self-motivated and able to work well both independently and as part of a team. This is a full-time position with opportunities for advancement within our growing company. Salary is dependent upon the skills and qualifications of the applicant.

Primary Job Duties and Responsibilities:

- This job is approximately 75% field based
- Assist in harvest & road layout, and silviculture administration
- Assist in the implementation of herbicide spray program
- Assist in compliance with SFI certification; responsible for maintaining accurate records and audit compliance
- Provide on-site logger oversight and guidance
- Assist in forest inventory, resource mapping, boundary line delineation, timber sale administration, marking of pre/non-commercial treatments, marking of commercial treatments/timber sales, road layout, RMZ layout, and other technical and professional forestry practices as required or needed
- Manage projects independently and with other team members from start to finish

Qualifications:

- BS or AA in forestry, at least 2 years' traditional forestry experience a plus
- Past field experience in assessing and implementing various reforestation practices used in the Pacific Northwest
- Ability to navigate in remote field locations and determine treatment polygons for planting and monitoring of natural regeneration
- Excellent written and oral communication skills
- Extremely well-organized and detail oriented
- Willing listener with the ability to translate communications into the appropriate course of action
- Ability to multi-task and prioritize in a sometimes fast-paced work environment
- Proficiency in basic computer programs such as MS Word and Excel
- Working knowledge of ArcView or ArcGIS and MS Access is a plus
- Leadership mindset, and a desire to grow and develop professionally
