

Chinook Forest Management, LLC (CFM) is seeking to hire one or more summer forestry field interns to work with our growing team in Southern Oregon. The position(s) will be based out of our Grants Pass, Oregon office working with industrial forestry professionals out on managed forest timberlands.

Applicants must be on time, organized, self-motivated and able to work well both independently and as part of a team. This is a learning position with opportunities to experience and build upon outdoor skills related to forestry.

Primary Job Duties and Responsibilities:

- This job is approximately 75% - 90% field based
- Learn to utilize forestry equipment and technologies to implement forestry activities
- Assist in harvest, road, and silviculture layout
- Work independently and with other staff members from start to finish

Qualifications:

- Enrollment in high school or undergrad program
- Willingness to work outdoors in the Southern Oregon climate with varied temperature and humidity
- Excellent written and oral communication skills
- Willing listener with the ability to translate communications into the appropriate course of action
- Proficiency in basic computer programs such as MS Word and Excel
- Working knowledge of Avenza Maps and use of handheld radio is a plus
- Leadership mindset, and a desire to grow and develop new skills

Please email resume and cover letter by 4/15/2024 to admin@chinookforestmanagement.com
