DESCRIPTION:

Natural Resource Specialist 2/NRS1 In-Training, Silviculture Forester Recruitment #2023-3-7274
Full-time, Permanent, Represented position.
Location: South Puget Sound Region-Enumclaw, WA.
Relocation Compensation may be available and considered
Telework flexibility may be available and considered
Salary: \$3,734.00 - \$5,673.00 Monthly

Positions with permanent duty stations in King County receive an additional 5% added to their monthly base salary. The salary listed on this announcement reflects the additional 5%.

Want to join something GREAT and make a difference?

Are you an individual who has a passion for silviculture? Are you committed to working with other natural resource specialists to meet the reforestation and young stand management needs on state trust lands? The Washington State Department of Natural Resources is looking for an individual to fill their Silviculture Forester position in the South Puget Sound Region.

DUTIES:

Responsibilities:

The silviculture forester is responsible for implementing the Department's reforestation and young stand management activities on state trust lands including evaluation of forest stands and compliance of treatment activities for contracts. This position works under the guidance of the region silviculturist, the Habitat Conservation Plan, the Forest Practice Rules, the Policy for

Sustainable Forests, the Endangered Species Act, all applicable collective bargaining agreements for the positions supervised, and all other applicable laws, rules, regulations, and agency policies, procedures, and guidelines. This position reports to the region silviculturist and interacts with agency staff, the general public and other state, county, and federal agencies on a routine basis.

QUALIFICATIONS:

This may be filled as a Natural Resource Specialist 1 in-training position. This is designated as a 24 month training plan that may be extended to a maximum of 36 months. If you complete all elements of the training steps in a shorter amount of time, we may waive the remainder of the time required. Candidates will be considered as Natural Resource Specialist 2 or Natural Resource Specialist 1 (In-Training), depending on qualifications.

Required Qualifications:

Natural Resource Specialist 1 (NRS2 In-Training) required qualifications (Salary range: \$3,734-\$5,013 per month):

- An Associate's degree in forest management or related natural resource field; AND one year
 of forestry experience at the entry level,
 - OR a combination of equivalent education and/or experience.
- Knowledge of general forest management theory (timber management planning, silviculture, appraisal techniques, timber sales, contract preparation and administration, forest fire prevention and suppression, logging and forest road construction, reforestation methods, public relations, statistical analysis).
- · Knowledge of basic mensuration, forest biology, and silviculture.
- DNR Core Competencies:
 - Personal Accountability
 - Value Others
 - Compassionate Communication
 - Inspire Others
 - Commitment to Excellence

Natural Resource Specialist 2 will meet the NRS1 required qualifications in addition to the qualifications below:

(Salary range: \$4,216-\$5,673 per month):

- A Bachelor's degree in forest management or related natural resource field.
 OR an Associate's degree in forest management or related natural resource field AND two years of forestry experience at the entry level.
 OR an equivalent combination of education and/or experience.
- Knowledge of general forest management theory (timber management planning, silviculture, appraisal techniques, timber sales, contract preparation and administration, forest fire prevention and suppression, logging and forest road construction, reforestation methods, public relations, statistical analysis).
- Experience in basic mensuration, forest biology, and silviculture.
- Proficient computer skills such as MS Word, MS Excel, ARC-GIS/ARC-View, with aptitude for learning new software programs.
- · Experience navigating using digital maps, GPS, and compass.
- Knowledge of young stand establishment and maintenance practices and treatments.
- Dedication to a Safe Workplace: Demonstrates leadership in the maintenance and development of a safe and healthy work environment. Being empowered to identify, resolve or mitigate observed safety concerns.
- Knowledge of general forest management theory (timber management planning, silviculture, appraisal techniques, timber sales, contract preparation and administration, forest fire prevention and suppression, logging and forest road construction, reforestation methods, public relations, statistical analysis).
- · Knowledge of basic forest mensuration, and forest biology.
- Proficient computer skills such as MS Word, MS Excel, and an aptitude for learning new software programs.
- Ability to navigate using mobile devices, maps, aerial photos, compass, and GPS.

 Ability to inspect, instruct, and work with contract crews to ensure silvicultural prescriptions are met.

- Ability to traverse unit boundaries and accurately create a map in GIS.
- Strong verbal, written, and interpersonal communication skills as demonstrated by the ability to resolve conflicts, write effectively, and communicate with diverse groups both internal and external.
- Ability to work independently and as part of a team to develop and achieve department and project goals.

Special Requirements and Conditions of Employment:

- Must be at least 18 years of age at the time of hire.
- Requires large majority (70%) of time in the field and traveling between sites in the work unit. Occasional travel out of the work area is required.
- A majority (70%) of the work is performed in isolated unimproved natural forestry settings.
 The individual must be able to traverse uneven terrain in all weather conditions. Must be
 able to cover reasonable distances per day in the field on moderate to very difficult terrain.
 Must be willing to work alone and in remote terrain and in all weather conditions. Office work
 requires use of standard office furniture and equipment (e.g. desks, files, cabinets,
 computers, telephones, copy machines, etc.).
- A valid driver's license and have two years of driving experience. This position requires
 driving as an essential function. Finalists and/or interview candidates will be asked to
 provide a driving record from all states in which they have held a license during the past
 three years.
- Employees of the Department of Natural Resources (DNR) are required to complete their primary series of COVID-19 vaccines (be fully vaccinated against COVID-19) or be approved for a medical or religious accommodation as a condition of employment. Please note, any offer of employment is contingent and no start date will be approved until you have either verified your vaccine status or have an approved accommodation. "Fully vaccinated" means the following: An employee is fully vaccinated against COVID-19 two weeks after they have received the second dose in a two-dose series of a COVID-19 vaccine (e.g., Pfizer-BioNTech, Moderna, Novavax) or a single-dose COVID-19 vaccine (e.g., Johnson & Johnson (J&J)/Janssen) authorized for emergency use, licensed, or otherwise approved by the FDA or listed for emergency use, or otherwise approved by the World Health Organization.

Desired Qualifications:

- Two years of professional forestry experience OR a Master's of Science in forest management or closely related subject.
- Two years of professional forestry experience in young stand establishment (including experience with herbicide application) and maintenance practices and treatments.
- Two years of experience using GPS and ArcGIS products.
- Knowledge of Policy for Sustainable Forests, Habitat Conservation Plan, and related agency policies.
- Knowledge of Forest Practice Rules and SEPA process.

SUPPLEMENTAL INFORMATION:

About the Department of Natural Resources (DNR).

At DNR we approach our work through the lens of making Washington a better place environmentally and are dedicated to serving Washington's lands and communities through diversity, equity and inclusion.

Our Vision – Our actions ensure a future where Washington's lands, waters, and communities thrive.

Our Mission – Manage, sustain, and protect the health and productivity of Washington's lands and waters to meet the needs of present and future generations.

Our Core Values:
