

Forest Service
U.S. DEPARTMENT OF AGRICULTURE

NOW HIRING FORESTER POSITIONS!

The Forest Service is hiring foresters across the nation. Jobs are available in a variety of exciting and rewarding locations.

Foresters work outdoors and are experts in managing growth of different types of trees and other vegetation. They are skilled in planting, removing or caring for trees, while considering how a forest may develop over long time frames. From planting seedlings to inspecting a contractor's work, foresters provide the technical and professional expertise for evaluating the health of our forests.
